<b>Lifting pole</b> to be used with fixed head-end	75 kg	powder coated RAL 9006	11011410A0000
<b>Lifting pole</b> to be used with fixed head-end	75 kg	chrome plated	1101141000000

DESCRIPTION	SWL	SURFACE	MODEL
<b>Grey plastic triangular holder</b> to be placed on a lifting pole	75 kg	plastic grey color	4ROTGERSG700-2

DESCRIPTION	SWL	SURFACE	MODEL
<b>Grey plastic triangular holder</b> to be placed on a lifting pole adjustable by retractor	75 kg	plastic grey color	4ROTGNR100GR-2

DESCRIPTION	SWL	SURFACE	MODEL
<b>IV holder, 3 hooks</b> to be placed on a lifting pole		powder coated RAL 9002	16010700B0000
		powder coated RAL 9006	16010700A0000

DESCRIPTION	SWL	SURFACE	MODEL
<b>IV holder, 3 hooks</b> to be placed on a lifting pole		stainless steel	4MAPL00N1001

## IV POLES & ACCESSORIES

Telescopic IV poles can be inserted into the sockets or attached on the bed frame at the head end.

DESCRIPTION	SWL	SURFACE	MODEL
<b>Foldable IV &amp; Drive</b> – telescopic infusion stands and driving handles with i-Drive Power controller holder. Intended for use without head board. (Attachable on bed frame under head end.)	10 kg (5 kg per hook)	powder coated	11022200Y0MCX

DESCRIPTION	SWL	SURFACE	MODEL
<b>Foldable IV &amp; Drive</b> – telescopic infusion stands and driving handles. Intended for use without head board. (Attachable on bed frame under head end.)	10 kg (5 kg per hook)	powder coated	11022200N0MCX

DESCRIPTION	SWL	SURFACE	MODEL
<b>IV pole</b> , with plastic box, 4 hooks, height adjustable, bush size D19	8 kg (2 kg per hook)	chrome plated	4PKV26107200

DESCRIPTION	SWL	SURFACE	MODEL
<b>Infusion bottle basket</b> to be hang on IV pole	Defined by SWL of IV pole	stainless steel	4DR426101

## LATERAL TILT SUPPORT

Recommended accessories for making lateralization even safer.

DESCRIPTION	SWL	SURFACE	MODEL
<b>Ventilator circuit holder</b> (if ordered separately - not as the part of KIT 3)	0.6 kg	stainless steel, plastic	4MAS25012600

DESCRIPTION	SWL	SURFACE	MODEL
<b>Kit of stabilizing pads ADVANCED</b> for the lateral tilt (6pcs foam frame pads + 15 pcs pearl balls fixation pillows)	—	mattress foam and pearls / washable cover	4ZE104041317

DESCRIPTION	SWL	SURFACE	MODEL
<b>Kit of stabilizing pads</b> for the lateral tilt (if ordered separately - not as the part of KIT 3)	—	mattress foam / washable	4GMKLS000003A

DESCRIPTION	SWL	SURFACE	MODEL
<b>Positioning cushion for lateral tilt, washable stretch cover</b> (1 piece)	—	mattress foam / washable	4SET17500001

## HIGHER SAFETY & COMFORT

Enhance further safety and comfort of the patient.

DESCRIPTION	SWL	SURFACE	MODEL
<b>Pair of Protectors, complete set with cover</b> for Multicare	—	powder coated RAL 9006 / HPL	11005900B0MCR-1

DESCRIPTION	SWL	SURFACE	MODEL
<b>m-Panel - displays statuses of the bed</b> (compatible only with MPA:01)	—		4S6018690

DESCRIPTION	SWL	SURFACE	MODEL
<b>Handset holder for Multicare</b>	—	plastic	1102950000000

## SHELVES

Shelves and tray to be placed at the bed end for further medical equipment.

DESCRIPTION	SWL	SURFACE	MODEL
<b>Monitor shelf</b> for Multicare, desk dimensions 620 x 330 mm	15 kg	plastic / powder coated RAL 9006	11026300A0006

DESCRIPTION	SWL	SURFACE	MODEL
<b>Writing shelf</b> for plastic or metal bed ends	10 kg	plastic / powder coated RAL 9002	11023230B0000

DESCRIPTION	SWL	SURFACE	MODEL
<b>Universal utility shelf</b>	10 kg	powder coated RAL 9002	11025800B0000

## OXYGEN BOTTLE HOLDERS

Oxygen bottle holders can also be fitted to the bed frame. Multicare X provides 3 separate oxygen bottle mounting positions.

DESCRIPTION	SWL	SURFACE	MODEL
<b>Horizontal oxygen bottle (5) holder</b> to be placed on crossbar on the head end of the bed (Size of O <sub>2</sub> bottle Max: L520 × D140; Min: L290 × D90)	15 kg	stainless steel	4MAR2010PC004

DESCRIPTION	SWL	SURFACE	MODEL
<b>Vertical oxygen bottle holder</b> to be placed on head end (Size of O <sub>2</sub> bottle: Max: L800 × D140; Min: L325 × D120)	15 kg	stainless steel	4MAR2010PC007-1

DESCRIPTION	SWL	SURFACE	MODEL
<b>Vertical oxygen bottle holder</b> to be placed on head end (Size of O <sub>2</sub> bottle Max: L800 × D120; Min: L365 × D100)	15 kg	stainless steel	4MAR2015PC001

DESCRIPTION	SWL	SURFACE	MODEL
<b>Adaptor for the O<sub>2</sub> bottle holder</b> 4MAR2010PC007-1	25 kg	powder coated RAL 9002	11029700A0000
